Valves

pressure & temperature regulators, control valves, sliding gate valves

sanitary regulators, gas regulators, control valves, steam traps, diaphragm valves, safety relief valves

precision back pressure, vacuum & flow control valves

pressure regulators, air loaded pressure regulators, control valves & steam traps for food & beverage markets

high pressure fractional flow regulators, control valves

mixproof valves, single seat valves, high pressure valves, modulating valves, ball valves, butterfly valves

safety and relief valves

pressure regulators

check valves

high performance butterfly valves, ball/butterfly valves, gate/globe/check valves

ball valves, automation

butterfly valves, ball valves, control valves, specialty valves, actuators, automation

knife gate valves

instrumentation valves

Instrumentation

gauges, thermometers, transmitters, magnetic level indicators, thermocouples, RTDs

pressure and temperature switches

CustomControlSensors

pressure and temperature switches

regulators, transducers

gauges, thermometers, switches, controllers

gauges, thermometers, transducers

PERMA-CAL INDUSTRIES, INC.
DIRECT DRIVE PRESSURE GAUGES

pressure gauges

digital panel meters

gauges, thermometers, pyrometers, chart recorders

fittings, calibration pumps

thermocouples, RTDs

steam and water mixing valves

Piping, Steam & Compressed Air Specialties

steam traps

Nicholson

industrial and high purity steam traps

sight flow indicators, swivel joints,
loading arms

FINITE

compressed air filters

compressed air filters, dryers, desiccant

pH, ORP, conductivity sensors

APPLICATION EXPERTISE

VALVES • INSTRUMENTATION • PIPING SPECIALTIES
